**NOTES:**

- Degree requirements are subject to modification by Simpson University.
- Bachelor degrees at Simpson University require 30 upper division credits. The course requirements for the Bachelor of Science in Nursing will meet this requirement.
- Students must take at least 30 credits (12 of which must be in the major) and their last 15 of 24 credits at Simpson University. All units transferred from a community college are considered lower division.
- (\*) Transfers as Lower Division course.
